Welcome to our ROCKSTAR presents Student Day 2026.

We have 7 races today commencing at 2.10pm.

Important points to note today are:

For our loyal Owners, Trainers, we have provided the Paddock Pavilion for dining and the Club Room for viewing today where you will find large televisions, a bar, complimentary tea and coffee. You may also use the Club Terrace area and the NEW PREMIER ROOM 1. For our Annual badge holders, you also have the Paddock Marquee, The Club Terrace and the Paddock Pavilion for your drinks.

Please be aware that we no longer accept cash at all bar and food outlets only debit or credit cards. Please be assured that turnstiles and betting facilities will continue to accept cash. For those customers who either forget their cards or do not possess a debit card or credit card, we have opened "voucher outlets" where you will be able to exchange your cash for vouchers and should you not spend your vouchers on the day you will be able to exchange them back for cash from the main office before you leave (up to 30 minutes after the last race), or use them on a future meeting. Today these outlets are situated at the Main Office, the Main Tote building and the Betting Hall Tote. We are pleased to say that this change has sped up service and improved security.

Public bars and food stands will close today immediately following the final race and the racecourse will close shortly after. Please take a look at the racecourse map within your racecard to familiarise yourself with our facilities and in particular the location of our first aid unit where we have 4 qualified staff plus a crowd doctor to look after any slips, trips or bumps you may have and hopefully nothing more serious.

PLEASE NOTE THAT LADIES' DAY 2026 TAKES PLACE ON SATURDAY 4th JULY FEATURING
HEATHER SMALL FROM M PEOPLE WITH SPECIAL GUESTS GO WEST. BUY YOUR TICKETS NOW
AT THE DISCOUNTED PRICE OF £45 PER PERSON.

HAVE A GREAT DAY, THANK YOU FOR SUPPORTING US AND WE HOPE TO SEE YOU AGAIN FOR OUR NEXT MEETING

How to Read Your Racecard

Our easy guide to getting the most from your racecard.

Star Ratings Explained:

Each horse has been given a star rating, these are defined below:

- ★★★★★ Selected to win the race.
- ★★★★☆ Good chance of being placed.
- ★★★☆☆ By no means out of the reckoning but at least one or two hold stronger claims
- ★★☆☆☆ Unlikely to win but not totally without hope.
- ★☆☆☆☆ Can be given little or no chance.

Official BHA Ratings

The BHA Handicappers allot ratings to horses once they have taken part in a sufficient number of races to enable the Handicappers to make a numerical assessment of each horse's ability. The principal purpose of the ratings is to determine the weight to be carried by each runner in handicap races, with the Handicappers aiming to provide each participant with an equal chance based on its best recent form under its optimum conditions. A horse rated 100, for example, would be set to carry 11lb more than a horse rated 99 (ignoring any penalties or allowances). The ratings published in the racecard for handicap races are the ratings that were used to calculate the weight to be carried by each horse, whilst in non-handicaps races the rating shown is that of each runner at the time that the entries for the race were confirmed. Any subsequently published change to a rating, either up or down, is shown in brackets following the rating.

Owners & Trainers Facility Introduction

Coming soon our new wonderful exclusive Owners and Trainers facilities here at Leicester Racecourse. Officially opening on 14th July 2026 we would like to give you a snapshot preview of our plans.

Supporting our Owners and Trainers is at the top of our future agenda and to highlight this we have removed our first floor hospitality boxes and created a new luxury lounge with flow through into a lovely bar area and then again into a new restaurant. From 14th July we will be offering owners table restaurant service. A pager system to inform you when your table is ready. A two course meal and then complimentary bean to cup coffee or tea accompanied by a selection of lovely cakes within the Owners coffee lounge.

We believe this will have some of the best facilities for owners in the country.

See designs with some key designer's bullet points.

Designer's Notes

Key design objectives are to create a luxury, stunning lounge, bars & bistro...the overall look will be contemporary and exclusive....and a seamless walk through all areas.

Key elements:

Use of high-end materials such as walnut finishes for the bars, doors and flooring and supporting marble effect features.

Statement lighting and artwork for a sumptuous environment.

Cozy, comfortable seating to encourage lounging, conversation and a relaxed atmosphere.

Two elegant feature fireplaces...one in the lounge and one in the bistro.

The two bars will be completely refurbished...to be personal & welcoming but also high functioning.

Technology will be carefully considered in the overall design...high quality TV's and coffee stations in key sight lines.

'We are designing a space where visitors will experience a brilliant first impression, feel welcomed and valued.'

Stewards Note:

ZOULETTE: Following its run on 18/5/2026 it was reported that the horse was slowly away.

Probable S.P's: 3-1 Hatamoto (GB), 11-2 Giles Glory (IRE), 7-1 Zoulette (IRE), 15-2 Woody Y Fernandez (GB), 9-1 She's Crafty (IRE), Escape Magic (GB), 14-1 Elashgar (IRE), 20-1 Telling Time (GB), 22-1 Girls Allowed (IRE), 50-1 Movable (GB), 66-1 Snow Day (GB)

HATAMOTO made a positive start to his handicap career when second at Carlisle last Monday and is taken to go one better off the same mark now. The booking of Oisín Murphy for Giles Glory takes the eye and he's second choice. Owen Burrows handicap newcomer Escape Magic would also enter the reckoning if the betting hints that improvement is likely now handicapping.

Horse Welfare at Leicester Racecourse

At every meeting at Leicester Racecourse there are two specially-qualified equine vets appointed to look after the welfare of all horses in action. During the race one vet will be following the runners and can attend to a horse in the same response time as the Paramedic Teams responsible for treating injured jockeys. The second vet is based below the stewards box in the grandstand, is in radio contact with his colleague following the runners, and can respond immediately to any uncovered emergency. In addition there is a third vet, a British Horseracing Authority Veterinary team and the stewards.

The Racecourse also employs a specialist Horse Ambulance Team, equipped with a modern equine ambulance to enable injured horses to be transported safely to a veterinary hospital for treatment. It is now standard practice for screens to be erected around any horse receiving veterinary attention on the course. This does not reflect on the severity of an injury, but allows the vet some privacy in which to administer treatment and provides the horse with a calm environment in which to make a recovery. Please do not assume the worst if you see screens erected around a fallen horse.

Evacuation Procedures

Leicester Racecourse has significantly enhanced Safety & Security measures this year to ensure your safety, comfort and enjoyment of the day. However, an incident may occur which is beyond our control and it is important that you are aware of how we intend to look after you in the event of an emergency. As part of our Safety management, we have employed professionally trained and experienced stewards and you will see them at various points throughout the racecourse. In the event of a situation, which requires partial or full evacuation of the stands or racecourse, announcements will be broadcast and stewards will undertake the responsibility of guiding you to a place of safety; it is essential that you follow their instructions. Please take your immediate belongings with you and proceed out of the area quickly and calmly with the guidance of the stewards. The evacuation procedures have been carefully planned to lead you to a safe area. Should it be necessary to evacuate the course itself, there will be two main options; firstly to return to your vehicles if safe to do so and leave via the main entrance. Secondly, should it not be safe to return to your vehicles, you will be requested to leave via an emergency evacuation gate, where you will receive further instructions. It may give you peace of mind if you pre plan and agree a meeting place, just in case you become separated from your party. The above is precautionary only and we trust that the procedures will never be required. However, in the event of an emergency, remember: TAKE YOUR BELONGINGS WITH YOU AND UNDER THE DIRECTIONS OF THE STEWARDS, PROCEED QUICKLY & CALMLY TO THE SAFE AREA.

Information & Enquiries

Any queries or problems that racegoers may have can be dealt with either at the racecourse office or by writing to the racecourse manager.

Photography

Racegoers may take photographs for private purposes. Under no circumstances may photographs taken on the racecourse be used for publication without the permission of the racecourse executive. Flash photography is essentially dangerous where horses are involved. You are asked not to use flash photography anywhere in the parade ring area and particularly near the Winners Enclosure.

Health & Safety Notice

The Racecourse would be grateful if racegoers could observe all Health & Safety requirements whilst at Leicester Racecourse. We would also be grateful if parents could keep a close eye on their children and prevent them from climbing on the running rails and getting onto the actual racecourse and paddock area. We would also like to remind racegoers that the FIRST AID medical unit is situated on the hard standing by the Sales Office. The designated meeting point for lost children is now in the Safety Control Office.

Rules on Betting and Each Way Terms

These Rules on Betting, as amended from time to time, are issued by Tattersalls Committee. The Rules on Betting were first issued in 1886 and were last revised on 17 May 2010 and the Place Terms were updated by racecourses with effect from 1 January 2015 following consultation with bookmakers. In accordance with licence conditions issued by the Gambling Commission pursuant to the Gambling Act 2005, licensees must display on their 'joints', in an intelligible format, any rules that differ from these Rules on Betting. A further licence condition requires all licensees to have an independent dispute resolution service. On application and in accordance with the published procedures (details of which are available at www.tattersallscommittee.co.uk), Tattersalls Committee will hear any betting disputes arising from the application or interpretation of these Rules on Betting or any other betting dispute emanating from on-course transactions.

Rule 1. In these Rules on Betting, 'betting' shall have the meaning defined by section 9 of the Gambling Act 2005.

Rule 2. Bets may only be amended or cancelled by mutual consent between the licensee and the backer.

Rule 3. Unless clearly displayed otherwise, all each-way bets except ante-post bets will be settled on the actual number of starters according to the following racecourse place terms: -

- Fewer than 3 runners—all to win
- 3 or 4 runners - all to win. Where a bookmaker wishes to depart from this default position he may offer place terms for 3 or 4 runners this must be at 1/5 odds a place 1-2.
- 5-7 runners -1/4 odds a place 1-2
- 8 or more runners -1/5 odds a place 1-2-3
- Handicaps with 12-15 runners - 1/4 odds a place 1-2-3
- Handicaps with 16-21 runners - 1/5 odds a place 1-2-3-4
- Handicaps with 22 or more runners - 1/4 odds a place 1-2-3-4

Rule 4. Other than 'first past the post' bets, all bets will be settled according to the result as announced at the 'Weighed-In' with the following exceptions:

(A) Single ante-post bets, being made before 10 a.m. on the day of the final declarations will be void under the following circumstances: -

- i) If the race is abandoned;
- ii) If the race is declared void;
- iii) If the Conditions of the race entry are changed prior to the start of the race;
- iv) If the venue is altered; or
- v) If a horse is eliminated under the British Horseracing Authority (BHA) Rules of Racing, schedule 8 of the Race Administration Manual (F).

However, in any such circumstances accumulative ante-post bets (win or place) will stand and be settled at the ante-post price(s) laid on the remaining horse(s).

Any race in which a horse is supplemented does not affect Rule 4(A).

In the event of a race being postponed to another day, ante-post bets placed before the entries have closed will stand and will only be made void if the race is abandoned or made void, if the horse is balloted out or eliminated under the previously mentioned schedule 8 of the BHA's Rules of Racing or if the venue is changed. Ante-post bets placed after the entries have closed will be void, except when the race is run at a later date at the same venue and entries for the race are not reopened, in which case bets will stand.

(B) Bets other than ante-post bets will be void if the race is abandoned or declared void. Bets will stand if the race is postponed to another day and final declarations stand. If the final declarations do not stand, bets will be void. Bets on a horse declared by the Starter 'not to have started' will be void.

(C) Where a bet has been placed and a price taken on the day of the race and there is subsequently an official notification that a horse has been withdrawn or has been declared 'not to have started', the liability of a layer against any horse remaining in the race, win or place, will be reduced in accordance with the following scale depending on the odds current against the withdrawn horse at the time of such official notification:

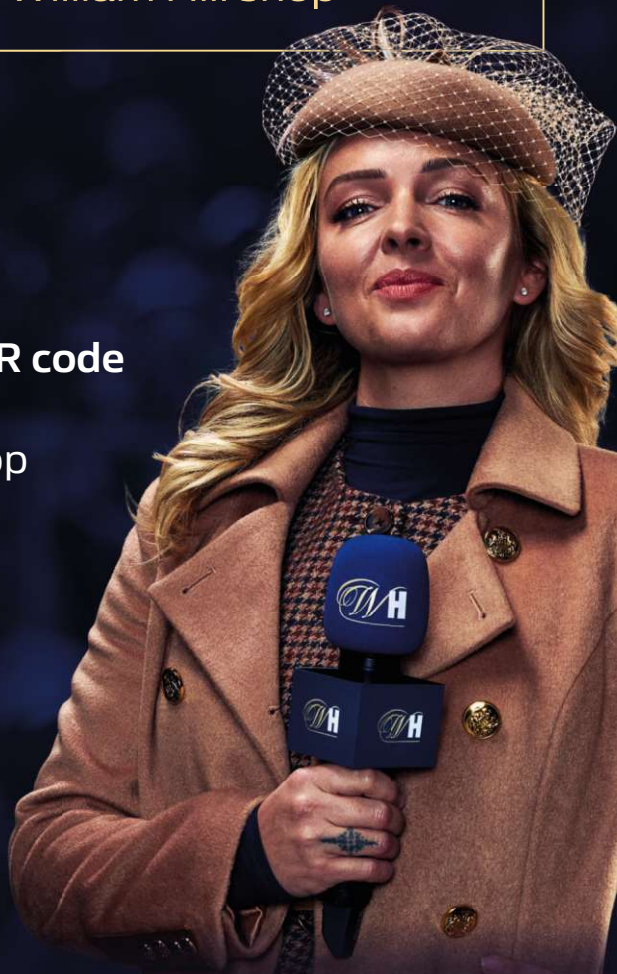

Odds (or decimal equivalent)	Scale of deduction (per £)
1/9 or longer odds	90 pence
2/11 to 2/17	85 pence
1/4 to 1/5	80 pence
3/10 to 2/7	75 pence
2/5 to 1/3	70 pence
8/15 to 4/9	65 pence
8/13 to 4/7	60 pence
4/5 to 4/6	55 pence
20/21 to 5/6	50 pence
Evens to 6/5	45 pence
5/4 to 6/4	40 pence
8/5 to 7/4	35 pence
9/5 to 9/4	30 pence
12/5 to 3/1	25 pence
16/5 to 4/1	20 pence
9/2 to 11/2	15 pence
6/1 to 9/1	10 pence
10/1 to 14/1	5 pence
Over 14/1	No deduction

In the case of two or more horses being withdrawn, the total reduction shall not exceed 90 pence in the pound. In the case of withdrawals in reformed markets, the total deduction over the two or more horses (i.e. one in the original and one in the reformed market) will be calculated on the prices applicable in the original market.
